The Dove-Holes, Dovedale. At the end of the lovely glen of Dovedale is a curious limestone cliff containing three monstrous caverns, big enough to have given shelter to the Minotaur. Local superstition explains these caves as the dens of dragons of old, that were as ill to encounter as the Medusa, as their ugliness killed whoever ventured to look upon them.

Dear Miss Currie
When the
news with
perfect love
from Mother
John - all
you well love
Prindy photo

Many thanks for
kind letter just received.
I shall not write much
now as I am just off
to business I will then
over & see you one evening
next week. but I'd but
want you to get any supper
ready as I just want
